A KINDLY REMINDER TO ALL GOLF CART DRIVERS OPERATING IN THE PARK!

It is proper Park etiquette to observe safety first while driving **your** golf cart or **ours** through the Park. Recently a few folks have taken to cutting through other peoples sites to get where they are going. Occasionally coming way to close to objects and pets while cutting through an occupied site. Lets be extra courteous and remember accidents can happen. Also remember no drinking alcoholic beverages while driving and children must be safely seated at all times the trails can be bumpy. .
